New changes in this Edition

Following items are the main changes in this Edition:

1. This handbook is valid effective **25 February 2018**. Please ignore previous Editions herein after.
2. Changing the design of the system windows to the new design.
3. Adding a table contains all airlines agreements in myIDTravel (6, 7).
4. Adding new notifications & technical requirements pages (8, 9).
5. Slight change in myIDTravel form (1.1) page 25.
6. Adding new additional form (1.2) page 26.
7. New airline companies agreements [update page \(6 -7 \)](#)

1. What is myIDTravel

MyIDTravel is the leading, global ID travel management solution. It enables airline employees to purchase tickets online and list/re-list them directly on the operating airline's reservation system.

2. About This guideline

This Handbook provides you with a basic understanding of the myIDTravel system. After you have read this User's Guide you will be able to perform your bookings/listings on the transporting carriers' flights.

This handbook Prepared by (myIDTravel Team):-

Basheer Al-areqi

Najeeb Al-selwi

First edition Supervised by:

Nasser H. Alsawady

Updates under supervision of:

Mariam M. Alhamdani

3. Why myIDTravel

Using myIDTravel, IY staff can conveniently book and settle flights electronically for themselves as well as for family members by using a central system from any web-enabled PC/Laptop at any time.

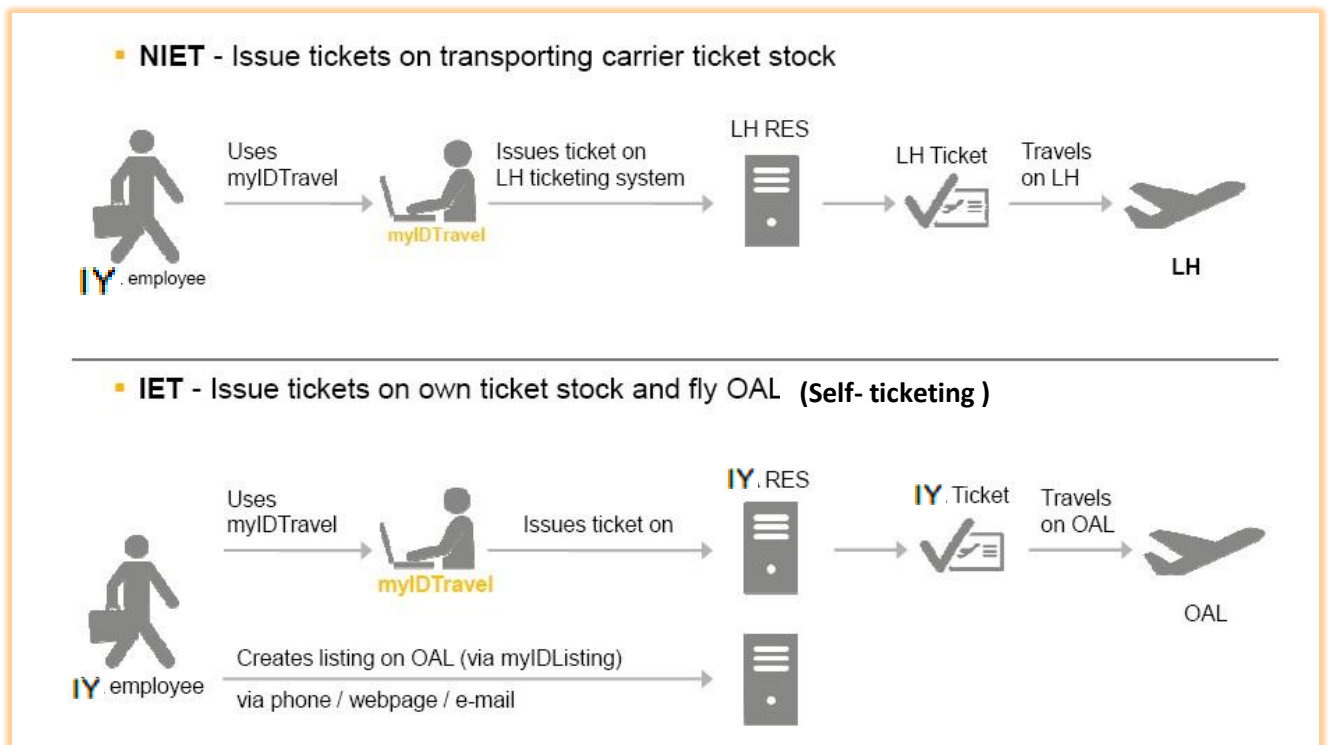

MyIDTravel is distributed worldwide as "Software as a Service" and offers a very attractive pricing structure with no direct costs to you. The traveler pays a coupon-based fee which follows a declining price model bound to the amount of coupons guaranteed by the whole myIDTravel community. No further charges, fees or costs will apply.

4. Ticketing Authority:

- **Leisure tickets (ZED):** will be issued by Yemenia staff themselves.*
- **Duty tickets (MIBA):** will be issued by International Affairs Dept. [myIDTravel].*

*[in the event that the airline is not subscribed in myIDTravel , tickets going to be issued as usual from IY authorized offices]

5. Types of Agreements

6. Types of ZED/MIBA booking status

- **YR1** : ZED Confirmed Economy class
- **YR2** : ZED Space Available Economy class
- **CR1** : ZED Confirmed Business Class
- **CR2** : ZED Space Available Business class

- **YS1** : Duty Confirmed Economy class
- **CS1** : Duty Confirmed Business Class
- **YC1** : Duty (DHC *) Economy Class
- **CC1** : Duty (DHC) Business Class

* **DHC** Dead head crew

- There are two types of travel modes :-

A. Confirmed travel

B. Standby travel

- All Airlines grant standby as default & some grant confirmed as well.
- Click ID agreement button in the navigation bar at the right corner of the system screen for more details about the agreements such as (eligible persons, fare levels, payment & refund requirements, airlines helpdesk contacts & etc).
- For more information about airlines policies & requirements go to www.flyZED.info

8. Before you fly

Before you fly you have to be careful about the following points:-

- Please be attention to visa requirements especially in transit situations.
- Be careful and make sure to hold all your valid required travel documents.

9. Technical Requirements

Please check if your browser complies to the following minimum required web browser versions in order to use myIDTravel.

- **Desktop:**

- Internet Explorer 8 or higher with Windows OS 7 and higher
- Google Chrome 30 or higher with Windows XP SP2, OS X and higher
- Apple Safari 7 or higher with OS X10.9 and higher
- Mozilla Firefox 25.0.1 or higher with Windows XP SP2, OS X and higher

- **Mobile:**

- Internet Explorer Mobile 10 with Windows Phone 8
- Google Android OS Browser with Android 4.4 and higher
- Apple Safari 5 or higher with iOS 5 and higher
- Mozilla Firefox 25.0.1 with iOS 5, Android 4.4 and higher

10. How to join myIDTravel

- Fill-up your personal and family details as per passports in myIDTravel form 1.2 (Annex A).
- Certify and Stamp the form by HR.
- Send the form to Intl. Affairs Dept. [myIDTravel Team] to create an account for you.
- Upon creating an account for you a link will be sent to your email immediately.
- Click on the link and create your own password.

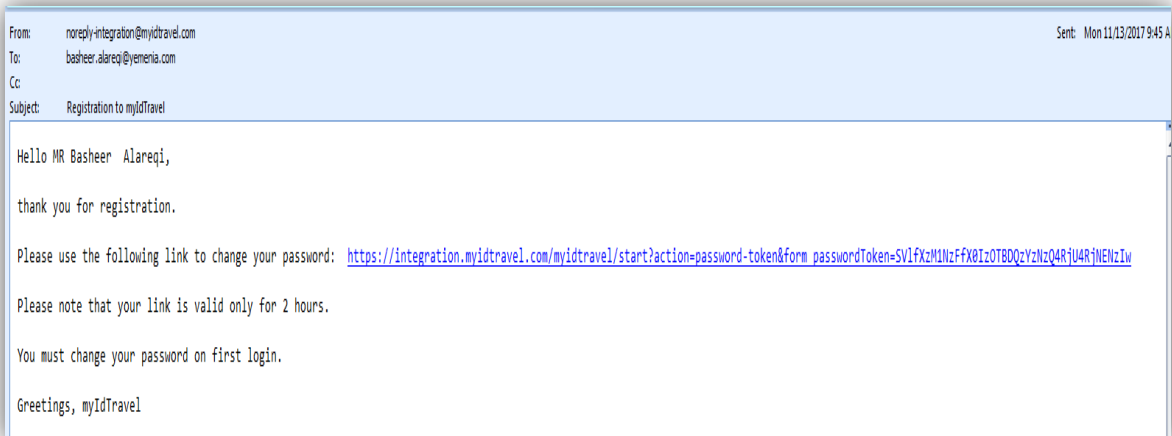

The link is valid for 2 hours only, hence you're requested to access your email immediately.

11. First-Time Login to myIDTravel

- Before using myIDTravel you need to generate a password.
- Password will be used for all future transactions.
- To begin click on <http://www.myidtravel.com>
- The myIDTravel login screen will display as shown below.
- Select Yemenia – Yemen Airways as an employing airline.
- Click on **Request new password?** See in red below.

- Enter your user ID as shown below.
- Click on “Request password” button.

- System will send an email to your email address. See below.
- Click on the link provided.

- Enter your new password and confirm it, then click change password.

- You will be prompted to below screen.

- Tick accepts the privacy statements box and click confirm to proceed.

Privacy Statement

Your personal data will be collected, stored, processed and transmitted in adherence to applicable national and German law for servicing your booking request. This includes making available your personal data to the transporting carrier for processing the booking. Please also note that airlines may be legally bound to make passenger reservation and flight data available to the U.S. customs and border authorities. Except for the aforementioned purposes and recipients, we will not transfer your personal data to third parties.

☒ I have read the privacy statement and accept them accordingly.

Confirm

12. How to issue ticket

12.1 Booking/Listing

Booking/Listing allows you to purchase confirmed/standby tickets on other carriers.

Note: You can't book/list and issue ticket for more than 90 days with most Airlines.

12.2 Traveler Selection

The **Traveler Selection** screen (shown below) will be displayed contains all persons eligible to travel according to your employee profile.

- Make sure all names of eligible persons for travel matching with their passports.
- Select the individuals who will be travelling.

Traveller Selection

Select Travellers

Please select the travellers (max. 8 persons) from the list below.

☒ Jon Doe

☐ Petel ZEI Little

☐ Kate ZEC Young

Continue

12.3 Flight Schedule Query

If you wish to make changes to your selections, click the **back** button at the bottom of the query screen and make a new selection on the **Traveler selection** screen.

The screenshot displays the 'Flight Schedule Query' interface. On the left is a sidebar with user details (Jon Doe, Yemenia - Yemen Airways) and navigation links. The main content area features a 'Find flights' section with tabs for 'One Way', 'Return', and 'Multiple Legs'. Below these tabs are several input fields: 'Airline (optional)' set to 'Emirates', 'Travel Status' set to 'R2 Standby', 'From' set to 'DXB', 'To' set to 'FRA', and 'Departure' information including 'Date' (29.11.2017), 'Time' (00:00), and 'Class' (Economy). A red rectangular box highlights the 'Airline', 'Travel Status', 'From', 'To', and 'Departure' fields. At the bottom of the form are 'Back' and 'Find flights' buttons.

In the lower section of the page, please define your flight schedule query before clicking the **find flights button** to display flights matching your search criteria.

The **Travel Status** will be either:

- **Y/C/F** chose the class you want to travel with
- **R2** Standby
- **R1** Confirmed

details

Click
select

In certain cases, not all flights will have a radio button to select because: -

- The flight is a code-share flight.
- The flight is operated by an airline that does not have an ID travel agreement with Yemenia
- The passenger is not allowed to travel according to the ID travel agreement with the specified airline (e.g., not all airlines allow parents/dependents etc. to travel).
- If a flight is not selectable for whatsoever reason, no radio button will be shown next to the flight number.
- Click on show details (or click on the blue icon) to get additional information about the respective flight and the reason why a flight is not selectable). In addition there are also indicators for the booking situation.

The following options exist as following:

- (Green) good chance
(Orange) moderate chance
(Red) bad chance

12.5 Shopping Basket

After you have successfully chosen your flight, you will get an itinerary of your selection.

(By clicking continue you acknowledge the itinerary as below)

12.7 APIS/Secure Flight.

Fill-up all required information about your passport for each passenger.

The screenshot shows the 'myIDTravel - APIS' interface. At the top, a red instruction bar says 'Please Advise your Passport number, expiry date and date of birth.' Below this, the passenger's name 'Doe, Jon' is displayed. A form contains the following fields: 'Date of birth (dd.MM.yyyy)' with value '01.01.1980', 'Nationality' with value 'YEMEN', 'Document Type' with value 'Passenger passport', 'Document number' with value '78678688', 'Document issuing country' with value 'YEMEN', and 'Document expiry date (dd.MM.yyyy)' with value '21.12.2021'. Each field has a calendar icon on the right. At the bottom left is a 'Back' button and at the bottom right is a 'Continue' button.

12.8 Contact and payment information

The **Contact and Payment Information** screen is pre-populated with your email information from your staff profile. You are required to complete the phone numbers and may change the email to another address if you prefer. Please double check all information on the page.

The screenshot shows the 'Your flights' section with a table for flight details. Below this is the 'Travellers' section with a dropdown menu showing 'Doe, Jon Mr.'. The 'Contact Information' section includes fields for 'Phone number 1' (123456789), 'Phone number 2 (optional)' (+00 000 000 000), 'Mobile number (optional)' (+00 000 000 000), 'E-mail address' (automails-support@myidtravel.com), and 'Repeat E-mail address' (automails-support@myidtravel.com). The 'Payment for Emirates' section includes a message: 'Please insert your credit card information. The ticket costs of 350 AED will be charged on this card.' Below this are fields for 'Credit Card*' (Visa), 'Card Number' (4111111111111111), 'Valid Code' (123), and 'Valid until' (12/2019). A 'Verify' button is at the bottom right. A speech bubble points to the 'Verify' button with the text: 'Insert credit card information and click verify'.

Emirates	EK0043	Economy / R2 Standby	
03:20	DXB DUBAI INTERNATIONAL	7h 15m	0 Stop
07:35	FRA FRANKFURT INTERNATIONAL APT		LISTABLE

Insert credit card information and click verify

You will receive a message that your credit card was successfully saved for the current booking as below. You may also edit the credit card information at this time.

The screenshot shows a web form titled "Payment for Emirates". At the top, it says "Please insert your credit card information. The ticket costs of 350 AED will be charged on this card." Below this are fields for "Card Number", "Cardholder", "Expiry Date", and "CVV". A green message box states "The credit card was successfully saved for the current booking." To the right of this message is an "Edit" button, which is circled in red. Below the message box, there is a section titled "Please enter the address stored for the used credit card". This section includes fields for "First name of card/account owner" (filled with "Jon"), "Last name of card/account owner" (filled with "Doe"), "Address 1" (filled with "Sana'a - Yemen"), "Address 2 (optional)", "City" (filled with "Sana'a"), "ZIP/Postal Code" (filled with "00967"), "Country" (filled with "YEMEN"), and "State (for US) (optional)" / "Province/Region (for intl.) (optional)". At the bottom left is a "Back" button, and at the bottom right is a "Finish" button. A speech bubble points to the "Finish" button with the text "Click finish button to proceed".

Note: To obtain your ticket, please be prepared with your bank to provide you with a valid online credit card for payment.

12.9 Confirmation

After issuing ticket is complete, you will see a confirmation screen with a summary of your itinerary as well as the booking reference code (and ticket number). You may write down the code so you can retrieve the booking if needed.

- By clicking on the PNR reference, you will obtain the e-ticket number.
- Ensure you make note of the PNR and e-ticket number as you will be unable to retrieve the PNR or e-ticket number without the actual reference.
- It's recommended that you print the confirmation page so you have all of the information available at a glance.

Your booking/Listing has been completed successfully.

Please mark the baggage you are checking in with your name and address.

13. Navigation Bar

Accessing the main functions of myIDTravel, use the navigation bar in the right area of the screen as shown below:

- a. **New Flight/Ticket:** allows you to book your flight itinerary.
- b. **Manage Bookings & Tickets:** allow you to create new booking/listing with an existing e-ticket. (E-tickets remain valid for 90 days from date of issue).
You must have the e-ticket number. Original PNR must be cancelled before making new booking/listing and it can be created with existing e-ticket.
- c. **ID Agreements:** contains a list of the rules and regulations for travel on other carriers. This includes ZED fare levels and designates eligibility. The information contained here is supplied by the transporting carrier.
- d. **My Stay:** allows you to book Hotels, rent cars, and any other accommodation over the world.
- e. **Flight List:** contains all tickets issued by your user account.
- f. **English:** allow you to choose the language.
- g. **Change password:** allows you to change your password.
- h. **Logout:** enable you to log out of myIDTravel application.

- i. Travel conditions vary from airline to airline and are subject to change. These conditions include, but are not limited to: dress code, flight listing, check-in requirements, embargo periods, travel warnings, and free baggage allowances.

International Destinations

If your travel involves international destinations, please make sure to:

- Find out the documentation and vaccination requirements for each leg.
- Check out that you have enough information of each country you are planning to travel to of their travel warnings and immigration requirements.

14. PNR Retrieval

To retrieve an existing booking change or cancel, please click the **manage bookings & Tickets button** from the navigation bar & select PNR to retrieve.

- ➡ **Rebook all:** To change all segments.
- ➡ **Cancel:** To cancel a segment.
- ➡ **Cancel all:** To cancel all segments.

15. Ticket Retrieval

To retrieve a ticket details provide the ticket number & click retrieve ticket as below.

The screenshot shows a 'Retrieval' form with two tabs: 'Tickets' (selected) and 'PNR'. Below the tabs is a text input field for 'Ticket number' containing '1762308127145'. To the right of the input field is an 'Add +' button. Below the input field is a 'Retrieve ticket' button. Annotations include: 'Select tickets' pointing to the 'Tickets' tab, 'Insert ticket no.' pointing to the ticket number input field, and 'Add another ticket' pointing to the 'Add +' button.

The coupon may have different status as below:-

- **(Open)** indicates that the involved coupon has not been used.
- **(Used)** indicates that the involved coupon has already been used for travelling.
- **(Refund)** indicates that the ticket was refunded by the airline.

The screenshot shows the 'Tickets' page for ticket number 1762308127145. The status is 'ISSUED', the traveller is 'DOE, JON (MR)', and the booking reference is 'Q27SRE'. A 'Please note' section states: 'The associated booking reference needs to be cancelled before you can refund or book/list'. Below this, the route is 'DUBAI INTERNATIONAL (DXB) - FRANKFURT INTERNATIONAL APT (FRA)'. The coupon status is 'open', the class is 'Economy', and the ticket type is 'STANDBY'. The 'open' status is circled in red. At the bottom, there are 'Show pricing' and 'Refund' buttons. An annotation 'Select refund to get your money back' with an arrow points to the 'Refund' button.

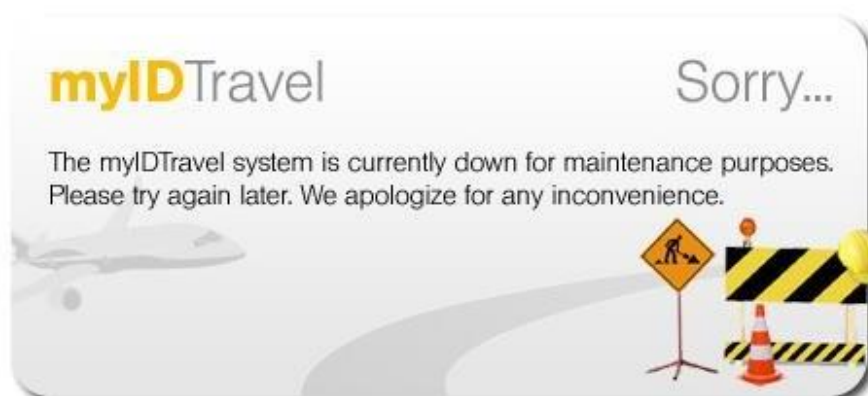

Important notes: -

- Ticket cannot be refunded before canceling your itinerary.
- Refunding a single ticket can only be done once (if you refund one segment, another segment cannot be refunded later).
- It's recommended to issue your ticket by sectors if you are not sure whether you're coming back or planning for a new trip.
- Refunding process may takes approximately 30 days.
- Refund valid for one year from date of issue.
- Refunds may be processed for a non-utilized ticket with an "open" status only.
- Refund a partially utilized ticket takes time to be processed, therefore its recommended to issue your tickets on a single sector basis to simplify your refund process.

16. Support/helpdesk

Should you have any queries, please contact the myIDTravel support helpdesk at myidtravel@yemenia.com

Note: In case myIDTravel is not available/or down for any reason you will receive the following message as below, therefore you need to wait for a while before login again.

17. Glossary

Term/Abbreviation	Explanation
